“ Anna and I were best friends all through High School. We had so many fun memories. The Ace driven-in, Athena’s beach houses and so much more. Learning how to drive with our boy friends and all the dances. Anna was a perfectionist when it came to sewing. She made some of our outfits we wore to school. She made our basketball cheer outfits. Anna was a perfectionist in everything she did. In the Athena’s, Anna was Sargent of Arms and Treasurer. Anna was always the first to dance at our Athena’s joint gatherings. She never had a problem asking the young boys to dance! Anna was a good dancer. She was a good driver, she drove a shift on the column and I drove a stick shift on the floor, boy did we think we were cool! I remember her driving pretty fast. She was a speeder at under 50 miles. Ann drove me to the hospital when I was in labor with my daughter Chrystell, we made it in time. We had so many wonderful memories together. As year’s would go bye we would stay in touch every now and then. We would speak to each other like we had just spoken yesterday. Anna thank you for being my best friend, I will miss you, I can see your smile and hear your laugh. I will never forget you. I love you and may you rest in peace. LOVE, your BFF Yolie L. My sincere condolence to Anna’s children who she loved with all her ❤️

“ So many years ago ... Albert Johnny Georgie Anna & Toni moved in up the street and around the corner at the top of the hill on the Sundown Side Of Cadman between Lisbon and Jamacha all those years ago!

It's funny to me and I don't know why that so many memories stick with me but I remember how happy and excited Anna was when she got her brand new Barbie that just hit the market ... being all boy and hating girls! I just couldn't understand why Anna was so excited about a Barbie!

After all it wasn't a Six Shooter w/a Holster that shot plastic bullets that could poke your eye out! Now that was something to get excited about! For this Boy at that time! Where does the years go?

...

So my dear Friends! ... My deepest and most heartfelt Condolence to :

John George & Toni your old friend ... Johnny Lovato
