“ *Melody and I were friends when we were little girls in Warminster, PA. When she and her family moved to Dayton OH I was devastated---over the years I often wondered what became of her. This past week I found an email address and sent an email along with this photo from our 3rd grade class. To say I'm sorry to hear of her passing is an understatement. Here we are in all our 3rd grade glory! I am in the 3rd row to the left with the striped dress. Melody is on the top row, the 4th student in--I am truly sorry for you loss.*
